**In this exciting, hands-on class,
You'll learn...**

- the basics of creating photo resist mask with UltraPro™ Self-adhesive Photoresist Film & Rapid Mask
- to personalize or etch logos and text on a variety of substrates including glass, crystal, marble/stone, and much more
- to produce high quality graphic designs of any complexity
- how to generate artwork for photo resist on a computer
- the basics of marketing.... *What Marketing IS...and ISN'T, Identifying Markets, and Identifying Customers...* how to price and sell your work, marketing suggestions and product ideas from architectural glass to awards.
- about a selection of process and sandcarving equipment, to enable you to choose the right equipment
- **2-Day Workshop will also include stage-carving, paint in-fill & UV Bonding**

... everything you want to know about etching and much more ...

***..... Students will create & complete some amazing projects to take home,
.....in addition....., discounts are available to students interested in Photoreist film purchases.***

No prior etching experience is required before taking this class.

Payment: To reserve a position, full payment with a major credit card (MasterCard or Visa), cheque or money order must be received upon registering for the class. Any open positions within one month prior to the class are filled on a first pay basis. **Limit 8 students per class.**

Cancellation: Cancellations made 10 days or less prior to beginning of classes are subject to a full cancellation fee. If Creative Art Glass Inc. is able to fill the cancelled spot, the fee will be waived. Creative Art Glass Inc. **reserves the right to cancel any school 10 days prior to the scheduled date if class participation is less than 4 students.** Please take this into consideration when arranging transportation & accommodation if applicable. If this should happen, we would credit the full tuition amount or use the credit toward another scheduled class, which ever you prefer.
